Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support wholeheartedly the ban / end of the puppy mill industry .

I am in disbelief that the country I am so proud of - a country that loved dogs as we do would tolerate and condone puppy mills .

We as a great nation are suppose to be an example as what it righteous and correct to the rest of the world , sadly we have been disgracefully short on many levels in that regard .

Let us pass the law banning / abolishing puppy mills , lets be an example to other states and the world of what is right and just .

Any Alternative or New Recommendations on This Agency: Ban puppy mills
