Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

I support chiropractors and do not think they should need a referral from An MD. My MD was sending me to physical therapy and pain management but recommended against a chiropractor's care. I paid out of pocket for my visit with a chiropractor and found instant and long term relief from my chronic pain.

Any Alternative or New Recommendations on This Agency: Let them practice without referrals from MDs!
