Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to recommendation 3.2 that would turn the Texas Board of Marriage and Family Therapy Examiners into an advisory committee. MFTs, LPCs, and Social Workers are health professionals and each has distinct requirements to ensure competency. Blending these in any ways will decrease the effectiveness of services to the public.

Any Alternative or New Recommendations on This Agency: I believe that those that service on these separate Boards of Examiners that are licensed professionals should not have dual licensure e.g. LMFT and LPC because it is a conflict of interest.

My Comment Will Be Made Public: I agree
