Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have many problems with the Staff Report but the part that affects my profession is moving licensing from DSHS to TDLR. Social workers work in the mental HEALTH profession and it's important to recognize that even some have jobs that are more health related and some of us are slightly less health related.

Any Alternative or New Recommendations on This Agency: I recommend ignoring this Staff Report.

My Comment Will Be Made Public: I agree
