Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I cannot believe there are people who live in the USA who do not want to protect helpless animals from the abuse of puppy mills.

Why can't they understand that animals are individuals the same as we are, only of a different species. They feel the same pain and emotions that we, as humans do.

These people need to get a decent job to support themselves, instead of selling babies thru horrific breeding conditions.

Please, please, don't give greedy, immoral & evil people the right to continue this abuse thru puppy mills.

Any Alternative or New Recommendations on This Agency:

Please continue to enforce any and all laws to help keep helpless animals from abuse.

Thank you,
Jewell Maida
