Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose TSBSWE being combined under TDLR. Social work is not a manual skill. It Allows us to assist our client in changing their lives. It requires extensive knowledge of various systems and interventions and impacts the clients lives immensely.

Any Alternative or New Recommendations on This Agency: None. Maintain the current oversight to insure that residents of Texas have the most professional and effective help available.

My Comment Will Be Made Public: I agree
