Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support the creation of the BHEC through the transformation of the psychology board I oppose the classification of professional appointees as ex-officio members The Board is not operating effectively as it is currently figured Each board in the BHEC was operate independently TSBSWE needs more funding to operate efficiently

Any Alternative or New Recommendations on This Agency: The BHEC should have 9 voting members, one public and one professional from each board with a final public board member appointed by the Governor.

My Comment Will Be Made Public: I agree
