Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Opposed to eliminating this program. This program addresses a long running and serious problem and should be continued. The over-breeding of puppies burdens cities and counties with abandoned and stray animals and runs up local tax bills. This also burdens animal welfare groups, particularly in the days of corona virus. Here in South Dallas this is a chronic problem. I oppose eliminating this program. To do so would be a serious mistake and a misuse of the sunset review process.

Any Alternative or New Recommendations on This Agency: Continue this program.
