Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I joined this organization at its inception in trying to support the industry and the oversight of same by the State of Texas.

It has proved to be a massive waste of state money and provides no useful services to the oil and gas industry.

As well, it rapidly morphed into an abusive bureaucracy.

Save the money Texas.

This agency should be eliminated.

Any Alternative or New Recommendations on This Agency:

Eliminate it!

It is a pure waste of money.
