Your Comments About the Staff Report, Including Recommendations Supported or Opposed: My name is Rocio Martinez, I am a student of physical therapy at The University of Texas Mary Hardin Baylor. I am representing myself through this comment as a physical therapy student. I support the Sunset Commission's recommendation of the Texas Board of Physical Therapy Examiners to join the National Licensure Compact because it will give PT's and PTA's the opportunity to deliver care from state to state without having to take many different state-based licensure impediments. Also, CCAP provides the public with protection, so I am opposing the recommendation to remove the authority that would prohibit the TBPTE from engaging in any future such arrangements.

Any Alternative or New Recommendations on This Agency: n/a
