Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Until Guthrie is out, TRS will not be trusted. He/TRS has a long way to go to rebuild trust. TRS employees should be required to be a part of TRS, not ERS so that they have to live with and deal with the decisions- good and bad-that they make.

Any Alternative or New Recommendations on This Agency: The London office is not necessary. In this day and age zoom meetings will suffice...they work for teachers and students who are far more important.

My Comment Will Be Made Public: I agree
