Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I recommend keeping the TSBPE as we need to have licensed professional plumbers in order to keep our
homes and water sanitary and not just having anyone making gas repairs or doing something that they are ill
knowledgeable in. This is critical to all people and shouldn't be overlooked or taken as a non serious issue.

Any Alternative or New Recommendations on This Agency: No I think the TSBPE does a magnificent job at
keeping our water system safe for all.

My Comment Will Be Made Public: I agree
