Agency: DEPARTMENT FAMILY AND PROTECTIVE SERVICES DFPS

First Name: Tabitha

Last Name: Mathes

Title: DFPS has endangered my children twice!

Organization you are affiliated with: I am a concerned parent

City: Kyle

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support ALL recommendations!

Any Alternative or New Recommendations on This Agency:

I reccomend a full internal investigation of the Hays County DFPS in San Marcos, TX. Specifically Sharla Lawless, Beth Philbeck, and Dora Montoya.

Other counties should also be investigated randomly as well.

I also request that If there are extenuating circumstances or unusual complaints in a case, the consumer affairs devision should have somewhere to direct the parent instead of sending them to the supervisor that is in the same office already overseeing and making decisions with investigators on a case. I request this because two of my children were endangered by two seperate investigators, NOT FOSTER CARE, BUT INVESTIGATORS! on two seperate occasions and in two seperate cases, which I can prove through video and hospital paperwork! I have been ignored by three levels of supervisors within the department. The department works together to protect their own when they break their own policies and State of Texas Laws too! How is it right for an agency to rip your children out of their home only to endanger their lives themselves?

My Comment Will Be Made Public: I agree
