Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I think it is so cruel to subject these female dogs to having litter after litter for life. Stop the puppy mills now! They sell puppies by me that come from puppy mills, they are sick, no one wants to pay for their shots. I've reported them to nothing being done. Check out Puppy Land in Stafford, Texas!

Any Alternative or New Recommendations on This Agency: Take to Houston Humane Society. This us animal abuse, these puppy mills.
