Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the continuation of TXBSWE. The board and licensing office need more support staff. The lives and careers of Social Workers all over the state (and the clients of those Social Workers) are being held in limbo for months and months on end while waiting for licensure / supervision approvals from the Occupational Licensing office. The TSBSWE Ethics Committee is just now reviewing and holding hearings on complaints that were made back in 2013!

This is just far too long to leave such matters hanging. Please provide additional support staff!

Any Alternative or New Recommendations on This Agency: More support staff for the TXBSWE and whatever help they need to get up to speed on processing new licensee applications.

My Comment Will Be Made Public: I agree
