Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please keep Richmond State Supported Living Center open. My brother has profound mental retardation and requires all the services that only RSSLC can provide to him. The community homes cannot provide him the medical care that he needs for his seizures and other serious medical issues. The community homes cannot provide him with the safety that he needs in order to thrive.

Any Alternative or New Recommendations on This Agency: Please continue new enrollment to State Supported Living Centers.
