Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Every occurrence of people earning money through having animals, undermines the safety and quality of life for those animals. Money always trumps the animals' welfare.

Anyone who even contemplates voting for the unlicensed breeders in this particular case, neglects the opportunity to safeguard the animals' welfare and safety, and needs to take their own moral inventory. Not protecting defenceless animals is shameful and wicked.

Any Alternative or New Recommendations on This Agency: DON'T abolish the licensed breeders program.
