Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the Issue 13 Recommendation from the Sunset Commission "to remove the Task Force for Children with Special Needs, the Children's Policy Council, the Council on Children and Families, and the Texas System of Care Consortium from statute and directing the commissioner to recreate one advisory committee in rule to better coordinate advisory efforts on children's issues." I recommend keeping the above noted organizations and councils to better collaborate and advise at state and community levels on children's issues. Each organization brings a different expertise to the different areas affecting children's services in Texas.

Any Alternative or New Recommendations on This Agency: Keep all organizations advising on children's issues current and do not consolidate into one advisory board.

My Comment Will Be Made Public: I agree
