Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: I sent my paperwork in to get my license for counseling and the licensing office. Appeared to be always so busy and overwhelmed. I finally had to go to a hearing to get the mess straightened out. I had made some mistakes in my paperwork but I feel like waiting for 2 years to get my license was a bit excessive for a mistake of a few dates. By the time I finally got my license I had done over 6,000 hours instead of 3000.. I actually had to get my state representative it involved to try to find some resolution.

Any Alternative or New Recommendations on This Agency: Although many of the people were very polite is they try to help me through this, it was a very trying and emotional situation for me. I really don't know what the solution would be. But it appears the system does need to be overhauled
