Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I fully support cosmo and barber being one class. But I whole heartedly believe that the hours need to be raised back to 1500 if this is done. I watch students struggle on a daily basis in school, they need to be taught what it takes to make a living behind the chair, not to just pass the state exam.

I fully support the waive of Instructor license, but a cosmetologist needs a minimum of 5 years behind the chair in order to get their instructor license.

Any Alternative or New Recommendations on This Agency:

If cosmo and barber are combined raise the hours back to 1500.

If instructor course is abolished, cosmetologist must have at least 5 years behind the chair of licensed experience.
