Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I oppose this effort to pile on more useless bureaucracy to a already over regulated small business. Forcing people to phone in controlled substance logs daily will not prevent abuse and theft any more than the current system. Government , especially state and federal bureaucracies will be overwhelmed & under motivated to make any difference. Just another rat hole our tax dollars are being poured into.
Thank you for your time Jack F Mc Kemie DVM

Any Alternative or New Recommendations on This Agency:

Leave it the same , It works very well.

Stop wasting my tax dollars on worthless bureaucratic mess's like this proposal.
