Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: Hey im a second yr apprentice and all i know is that ifyou think you can learn enough about plumbing in a few years to be good enough to install in public and commercial then you should do some research....one mess up can kill thousands....for example an unclean medical gas line in a hospital....

Any Alternative or New Recommendations on This Agency: Dont stop proper traning

My Comment Will Be Made Public: I agree
