Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I thought it was just another tax when it was put into law. I still think the same. Nothing has changed in the way we do business except it costs me more to operate with the license requirement.

I support the recommendation to terminate the Texas Geoscience Practice act.

Any Alternative or New Recommendations on This Agency: I have no new recommendations other than to terminate the Agency.

My Comment Will Be Made Public: I agree
