Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

- I support the creation of the BHEC through the transformation of the psychology board
- I oppose the classification of professional appointees on the BHEC as ex officio members
- The TSBSWE is not operating efficiently & effectively under HHSC
- Each board must remain independent under the BHEC
- The TSBSWE must have more money to operate effectively

Any Alternative or New Recommendations on This Agency: • The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.
