Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Agency: TEXAS STATE BOARD PLUMBING EXAMINERS

First Name: John

Last Name: Mendoza

Title:

Organization you are affiliated with: Trinity Steam Cleaing

Email: info@trinitysteamcleaning.com

City: Spring

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: If you take away the board of plumbing examiners un-licensed tradesman can get away with plumbing
without the licensing or insurance.

Any Alternative or New Recommendations on This Agency:

Being professionally trained by those who know what they are doing is paramount. Working with gas lines can be a
life or death matter- sewage going out and fresh water coming in is something that protects health care of everyone.
There needs to be accountability, without the board in place there is no true accountability, this is not a burden- it is
proper training.

On the job training is the equivalent to a a collegiate degree, it is tested not looked up on Wikipedia... All aspects of
the test are important before licensing, showing you know how to do job properly is vital.

My Comment Will Be Made Public: I agree
