Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

With regard to recommendations for the State Board of Educator Certification (SBEC).

The SBEC board must remain as an entity. There will be no checks or balance if all power is placed in one individual.

More emphasis should be given to the profession. There are no voting representatives from higher education on the board or from educator preparation programs.

Any Alternative or New Recommendations on This Agency:

SBEC voting member from educator preparation programs.

SBEC subcommittee members from educator preparation programs.

Recommendations from educator preparation programs on issues that impact these programs.
