Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the TCA recommendation that the majority of board members be professionals from the counseling profession since I believe the board would be better informed as to standards of practice, licensing and enforcement decisions. It is my hope that resolution will be in a timely manner since many interns like myself, have been waiting over a year for board decisions regarding these matters. Thank you for your consideration.

Any Alternative or New Recommendations on This Agency: (1) The Texas legislature will increase funding for these agencies since access to mental care in the state of Texas is ranked 49th according to Mental Health America.

My Comment Will Be Made Public: I agree
