Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: Recomendstions to support or oppose to issue #3

Any Alternative or New Recommendations on This Agency: Abolish the NCT's and keep the LMRT's certifications. I am opposed to abolish the Texas Limited Medical Radiologic Technologist certification. LMRT's have classroom instruction 900 hrs & clinical training of 600 hours. I support the higher level of training for patient safety.
