Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not let people have puppy mills ! It is one of the most horrible things that can happen to dogs to live in a cage to be bred for color or bred with no thought or care for the dog ! It's a prison ! We have too many dogs and cats now ! Our organization Spay and neuter dogs and cats free (25,000 so far in last 6 yrs) we also do vaccinations and chip and education! Dogs are like members of peoples family and need to be treated with care and love !Puppy mills are only a way of making quick money for people ,without care for the animals they abuse! We are better than this in Texas !!!Thankyou Sincerely Kit Moncrief

Any Alternative or New Recommendations on This Agency: Anything we can do to help people be educated on animal well fair and how important it is to spay ,neuter , have vaccinations ,and be chipped .
