Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

I have seen puppy mill animals tortured, left without water and food, chained to tin house that get blazing hot in the summer and cold in the winter.

People that do this to people are without conscious, and I have seen these same people abuse their children.

This horror must stop.

Any Alternative or New Recommendations on This Agency: Puppy mills raise sick animals and sell them to the public. They are a horror that must stop.

My Comment Will Be Made Public: I agree
