Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: There are issues with the TSBPE that need to be addressed and can be addressed with better funding but
eliminating the board is NOT the answer.
For this reason I am strongly opposed to the recommendation by the Sunset report.

Any Alternative or New Recommendations on This Agency: It is mentioned multiple times in the report that the
board not only does not cost the State of Texas money but instead pays back into the general fund with proceeds. If
the board were to be able to utilize these funds to better equip itself with more inspectors, better computer systems,
and general operating cost then the sunset commission would see how effectively the TSBPE can operate.

My Comment Will Be Made Public: I agree
