Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I OPPOSE the Sunset Commission recommendation to abolish the Licensed Breeders Program in which
abolishing would enable promote animal cruelty by skirting laws in regulation

Any Alternative or New Recommendations on This Agency: KEEP the Licensed Breeders Program, remove
requirement of having to sell over 20 animals to be considered a breeder as sellers do not record all sales, lower
current threshold for breeding from 11 to 5 females - large scale operations advertise as much smaller breeders than
they are

My Comment Will Be Made Public: I agree
