Your Comments About the Staff Report, Including Recommendations Supported or Opposed: When APRNs are brought before a disciplinary board for peer review, it is important that the committee review the case understands the APRNs scope of practice.

Any Alternative or New Recommendations on This Agency:

1. When an APRN is called before the BON for possible disciplinary action, those sitting on disciplinary committees should be peers, who are already experts in that APRN's specific area of practice.
2. The Eligibility and Disciplinary Committee should be required to form an Ad Hoc committee of APRNs with the same area of practice as any APRN under review, whenever an APRN is referred for possible sanction by that committee.

My Comment Will Be Made Public: I agree
