Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: Re: Employee Retirement System. Need a retiree on the board.

Retirees have issues that are often different from those of employed members, i.e., how funds for our insurance are being used; to what purpose is Humana wanting to send a doctor or nurse to our homes when we know how and when to contact our health professionals.

Any Alternative or New Recommendations on This Agency: Make it possible to have a retiree on the board, but not a highly paid retiree who may not have the knowledge or care how the lower-paid retirees are faring with their annuities, insurance coverage, etc.
