My name is Anushree Mukherjee, I have been practicing Physical Therapist since last 14 yrs. I work in an outpatient setting and do some acute care over the weekends. I live in Cypress, Tx.

I strongly oppose the idea of doing away with the licensing board and handing it to someone who does not have the medical knowledge or expertise to take decisions/help regulate our profession for us in the future.

We have worked so hard to get our degree to a doctorate level that now with this change, it will be a backward step for our professions future!!!
