Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am concerned about eliminating Cosmetology Instructor License. Who is going to teach students who want to be a Cosmetologist? Why are you doing this? We teach about Sanitation, look where we are now. Someone somewhere did not follow sanitation rules. Its a good chance where this started where education is missing.

I have been odylicensed for 50 years and see our profession being degraded.

Why? Do you want just anybody teaching Cosmetology or better yet cutting your hair and NO EDUCATION.

Cosmetologist know about chemicals and reactions to clients hair. If we didn't, clients would have NO HAIR at all. Why--- Do to lack of education.

Any Alternative or New Recommendations on This Agency: I strongly suggest we combine both Cosmetology & Barber Boards and go back to Clocking 1500 hours.

Do not due away with Instructors License.
