Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Nothing good ever comes out of a puppy mill. We have far too much over breeding in Texas now, and Houston being a extreme problem of beautiful dogs being euthanized by the hundreds every day. Many People here do not take care Of their animals weather they got the pet for free or paid thousand thru a breeder. We need to take care and spay / neuter our pets we have now. This is what needs to be focused on, not to have to worry more about more I'll treated animals from breeders that over breed their dogs and miss treat the parents of the puppies.

Any Alternative or New Recommendations on This Agency: Stop any puppy mills and concentrate on eliminating back door breeding. Fine all illegal breeding and take this money from illegal breeding to support our shelters
