Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Animal cruelty is a significant problem in the State of Texas.

Puppy-Mills are the genesis of the initial problems with the mistreatment of animal and by their very existence, propagate the on-going cruelty to animals. Puppy Mill owners do not screen people to see if they will be good pet owners. The conditions of their breeding mills also teach prospective owners the worst way to own, house and care for animals. The Texas Sunset Advisory Commission should not allow puppy mills to operate.

Any Alternative or New Recommendations on This Agency: Continue outlawing puppy mills.
