Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not allow the Texas Breeders Law to sunset. As one of the many thousands of Texans who volunteer and commit money and time to the relief of animals abused by bad breeders, it seems obvious that the law must be strengthened. There must be penalties for inflicting such cruelty.

Any Alternative or New Recommendations on This Agency: The law must be strengthened. A moral society demands that there be penalties for cruel behavior.
