Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

There are several issues of great concern. They begin on page 64 of the staff report.

- 4.4 Eliminate the redundant driving safety school license.
- 4.5 Eliminate the driving safety instructor license
- 4.6 Eliminate the minimum fees driving safety course providers must charge consumers. -- This eliminates the \$25 minimum fee
- 4.12 Eliminate costly course approval fees and streamline TDLR's process for approving driver training curricula. -- This would bring in a flood of course from CA.
- 4.14 Direct TDLR to list on its website only licensed instructors and providers, not the specific courses they offer. -- This is ridiculous.
Consumers would not be able to find us.

Any Alternative or New Recommendations on This Agency: The changes you are proposing would be detrimental to my defensive driving school and would invite companies outside of Texas to compete for my customers.
