**I support the recommendation to abolish the TBPG.** The TBPG is an unneeded government bureaucracy and I applaud the purpose and work of the Sunset Commission. I allowed my TBPG license to lapse many years ago for the simple reason that I saw no value for myself or the public in maintaining the license. As I understand it, there have been few if any enforcement issues brought before the TBPG board which in my mind is proof enough that the TBPG a solution looking for a problem. Poor use of taxpayer dollars and it should be abolished.
