Agency: TEXAS BOARD PROFESSIONAL GEOSCIENTISTS TBPG

First Name: Patrick

Last Name: Nye

Title: Manager

Your Comments or Concerns: My initial response to the Sunset Review dated May 2, 2018 did not consider the value of TBPG for environmental geologist and issues the O&G geologist may incur from regulatory agencies in the future. I wish to correct my response to reflect that certification of geologist that require regulatory input be allowed.

Your Proposed Solution: To reduce the excessive costs and bureaucracy to administer certification by geologist.

My Comments Will Not Be Made Public: I agree
