Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose eliminating licensing requirements for breeders We must protect and eliminate overpopulation

Any Alternative or New Recommendations on This Agency: Licensed breeders are a great service to our State. I have owned a New Foundland (she actually owned us), I have had six Pugs from quality breeders. As a child my parents were licensed breeders of Boston Terriers and Chihuahuas. Licensing and inspections are necessary to help eliminate puppy mills and protect the animal population

My Comment Will Be Made Public: I agree
