Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have been a licensed physical therapist since 1981 and I live and practice in Humble, Texas. I am representing myself as a physical therapy professional. I am very supportive and see the benefits of the national licensure compact. I strongly support the recommendation that the Texas Board of PT Examiners join the national licensure compact as this would benefit patients in Texas especially in rural and underserved areas. I strongly oppose the recommendation to remove administration of the CCAP program from the TPTA. They have done an exceptional job of protecting the public with the current program and oversight they have in place.

Any Alternative or New Recommendations on This Agency:

Support national licensure compact.

Keep statutory authority so that TPTA and Texas Board of PT Examiners can oversee.

My Comment Will Be Made Public: I agree
