State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Puppy mills need to be shut down in the state of Texas. I OPPOSE the recommendation to abolish the Texas Licensed Breeders Program. Anyone breeding animals for sale must be licensed and operate under licensing rules where their facilities and animals are regularly inspected and all rules are enforced. Puppy mills are cruel and must be stopped.

Any Alternative or New Recommendations on This Agency: Make licensing more stringent and inspect facilities and animals more frequently to ensure cruel practices are stopped and non-compliant facilities are shut down.

My Comment Will Be Made Public: I agree
