Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support the creation of the BHEC through the transformation of the psychology board.
I oppose the classification of professional appointees on the BHEC as ex officio members.
The TSBSWE is not operating efficiently & effectively under HHSC.
Each board must remain independent under the BHEC.
The TSBSWE must have more money to operate effectively .

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.

My Comment Will Be Made Public: I agree
