Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

In denying two complaints (#24070350 and #24060355) to State Bar of Texas (SBoT), Chief Disciplinary Counsel Linda Acevedo has been willfully blind to the agencies responsibility to enforce Tex. R. Disciplinary P. Sections 13.02 and 13.03. This willful negligence resulted in the issuance of an unlawful order to a non-lawyer by Fifth Court of Appeals Chief Judge Carolyn Wright in the appeal No. 05-15-01375-CV before her court. Willful failure to follow lawful procedures ratified by the Texas Legislature constitutes honest services fraud by SBoT administrators who are operating the agency as a state-financed trade union dedicated to shielding corrupt dues-paying lawyers. Honest services fraud like this by agencies for which the judicial branch has oversight responsibility has been reported to the Sunset Commission before--see public comments to the Commissions review of the State Commission on Judicial Conduct.

The willful neglect by the SBoT in the instances complained about were carried out no behalf of SBoT members who seek to be shielded themselves from the just consequence of participating in an ongoing judicial duping racket- as explained to Chief Justice Wright in a public letter to her that was filed Saturday, June 25, 2016, in Case No. 05-15-01375-CV, and titled "Notification in Compliance with Order Dated May 26, 2016."
