Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I am staunchly opposed to ding away with the Cosmetology Instructor license. We need qualified
educated persons with experience to teach newcomers to our profession. There is so much health and safety
education that is critical to our livelihood as stylists and we need quality teachers to make sure the students learn
these things. During these times of COVID-19 we need to be especially diligent in teaching the importance of not
only good hygiene but also the safety and sanitation aspect as well to do our part to stop the passing of
communicable diseases and viruses. Ours is a PROFESSION, we are professional and it needs to be treated as such.

Any Alternative or New Recommendations on This Agency: Do not do away with Cosmetology instructor license.
