Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Why, why, WHY, are puppy mills still supported when there are SO many animals in shelters needing homes? ALL puppy mills should be PERMANENTLY shut down. They should have been long ago!! Continuing the support of such death mills is inhumane and cruel. No animal should ever suffer at the hand of man. Animals depend on us to keep them safe and healthy and puppy.mills do neither!! SHUT THEM DOWN!!!

Any Alternative or New Recommendations on This Agency: CLOSE ALL DEATH MILLS!!!!

My Comment Will Be Made Public: I agree

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Puppy mills should not be allowed to operate in the state of Texas or any other state for that matter. Texas has SOOO many animals in shelters needing good homes it's devastating. Puppy mills are selfish and many, if not all, are cruel to the animals they house. Why would you want to allow this to continue? Please don't turn your back on the innocent animals being mistreated by the puppy mills. They don't deserve to live in wire cages and in filth.

Any Alternative or New Recommendations on This Agency: Please do not abandon these animals. They need you. The state of Texas needs you. Do the right thing and ABANDON THE PUPPY MILLS!!!
