Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please DO NOT allow puppy mills. If you have ever visited your local shelter or read the statistics about how many animals are euthanized every year you would not even consider. If you think the tax revenue will be welcomed think about all the money lost to animal control and more shelters. The inhuman conditions that are at the puppy mills are horrendous and the suffering unimaginable.

Any Alternative or New Recommendations on This Agency: Please don't them in Texas
